

2023 United Nations Sustainable Development Goals Index

United Nations Sustainable Development Goals (SDGs) Index

As a signatory to the United Nations (UN) Global Compact, Ingram Micro acknowledges our continued support for the [Ten Principles](#) on human rights, labor, environment, and anti-corruption. We believe that the UN SDGs are critical for improving human rights, welfare, and the future of the planet. All 17 Goals are listed below in recognition of their importance. Any text that is **bolded and underlined** within this index references our separate 2023 ESG Report, GRI Index, TCFD Index, and SASB Index, all of which can be found on our [ESG Reports](#) webpage.
